Program Begins For Culturally Disadvantaged

Armando Rodriguez, a Lemon Grove man who was defeated by Richard Donovan for this district's assembly seat last year, told the Lemon Grove Men's Club that the "compensatory education program," which had its start at his school, was being tried in selected school districts throughout the state. Rodriguez is vice principal of Gompers Junior high school in San Diego.

Before he launched into a discussion as to the benefits of the compensatory program, Rodriguez offered a couple of observations regarding politics. "I reject any belief that I was beaten because I am an American of Mexican extraction," he said. "Politics is the avenue in which any of us can help our community."

Regarding the compensatory education program, Rodriguez said the pilot program is already underway. It deals with pupils who are "culturally disadvantaged" or from low economy groups.

The state will provide $24 each for 13,000 pupils. Participating districts will be required to provide $12 per pupil. Locally, the Bancroft school in Spring Valley is in the program, he said.

Pupils must show potential ability to qualify for the aid program. Mentally retarded, physically handicapped and emotionally disturbed youngsters are disqualified, he explained.

The program Friday will be provided by Dr. Willis Miller, director of planning for the County of San Diego.

The group meets at noon every Friday at Michael's and membership is not a requisite to attend, according to Jack Cummings, club president.

SALK SHOT SHOOT SET FOR FRIDAY

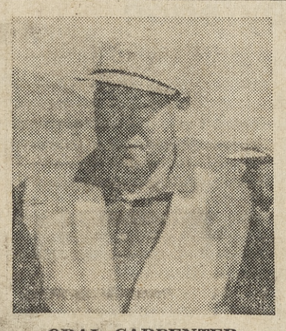
Salk shots will be given for $1 each September 21 from 7 to 8 p.m. at University Lanes, 59th and University.

The Polio shoot is being sponsored by the East San Diego Lions, who urge everyone to take advantage of this non-profit service. Plenty of free parking at University Lanes makes it easy for all to obtain the shots.

Commission Okays Mobile Park Near Sweetwater Lake

SAN DIEGO (CNS) — Rezoning of 17.5 acres on the north shore of Sweetwater Lake for a 160-space luxury mobile home park was tentatively approved Friday by the County Planning Commission.

The 3-2 vote of the commission came despite ojections of the former owner of the property on Lakeview ave. and the California Water and Telephone Co., which owns the lake and a considerable amount of land around it.



ORAL CARPENTER

Local Contractor Gets $4 Million Jr. College Job

A Lemon Grove contractor started work this week on the six million dollar Sweetwater Junior College.

Oral Carpenter, with a bid of $4,396,000 got the job in a joint venture with G. L. Cory, and Cotton Construction Co., which has offices and shops at 8095 Imperial ave., L.G.

The project consists of 9 units on a section of the 158-acre college site on Otay Lake rd. near Telegraph Canyon rd. in an area recently annexed to

(Continued on Page 4)

Somam Associates asked that the property be rezoned from R-1-A, single family residential, to R-4, multiple family residential use including a trailer park with special use permit.

Dennis Wittman, engineer for the job, told the commission that his firm had suggested to the developer that a mobile home park would be the highest and best use for the property since adjoining property to the north containing industrial uses might make single-family development less desirable.

The former owner of the property, J. Dougherty, objected that such a project would spoil his view. He also hinted that he would not have sold the land if he had known what was planned for it.

Phillip Creaser, representative of Cal Water, objected to the proposal. He said a development of "fine homes" was planned in about 5 years.

Creaser also said that in addition to depreciating the value of "choice lakefront property" the mobile home park would be a policing problem for his company around the lake, although it is fenced.

The commission continued the hearing for four weeks until road and sewer problems can be worked out, but indicated it would approve the rezoning at that time.

PROPOSED INCORPORATION — The Lemon Grove Men's Club committee on incorporation filed a Notice of Intention to incorporate with the County Board of Supervisors Wednesday. The notice will exempt Lemon Grove from new legislation and the Local Agency Formation Commission for a period of 90 days in which time the community may have an election to incorporate. The Men's Club filed the notice of intention to incorporate using the Lemon Grove School District boundaries for the proposed incorporation. The proposed area is bounded on the north by the City of La Mesa; on the west by 69th street and Highway 94, which separate Lemon Grove from the City of San Diego; on the south by Spring Valley; and on the east by Sweetwater rd., which is the main eastern boundary separating L.G. from S.V. Four exclusion areas which are part of the school district are excluded from the proposed incorporation — they have been annexed by San Diego.

Bird Claims State Cities Favored Law

SAN DIEGO (CNS) — The County Board of Supervisors lashed out Tuesday at critics of the controversial New Agency Formation Commission, which will be formed after the new law (Assembly Bill 1662) goes into effect Friday.

Supervisor David W. Bird announced that he wanted to set the record straight that the new law had been favored by most of the cities of the state, despite some local opposition, and that only through the opposition of the supervisors' state association was the law changed into a local control measure.

City Condemns Agency

Bird spoke in answer to a resolution of the Escondido City Council condemning the new super-agency which will control annexations and incorporations and asking support of legislation to kill it.

"It was definitely changed through the efforts of the supervisors to take it out of the state's hands," said Bird, "which wanted control."

Supervisor Robert C. Dent, who represents a portion of the City of San Diego, called the new agency "lesser of two evils" but said he was still against it himself.

To Choose Representatives

After the new law goes into effect, the supervisors are expected to appoint Bird and Chairman Robert C. Cozens as the county representatives.

The mayors of all the cities in the county have 60 days before they must choose two representatives from their own councils to serve and then the four choose a fifth member from the public.

Home Rule Threat

Cities have criticized the new super-agency as a threat to home rule ,while some people in unincorporated areas fear it as a threat to incorporation movements.

Cozens earlier called such criticism premature and unwarranted and asked that the cities give it a chance to work.

NEW LEASH LAW BEING DRAWN UP

SAN DIEGO (CNS)—A leash law that would require all dogs within the county to be on a "substantial leash" while on public property is being drawn up today by the county counsel's office, but the County Board of Supervisors still has not fully decided to adopt it.

School Board May Change Boundaries

Opening day enrollments in schools in the Grossmont Union High School District totaled 900 over last year, but were 285 below estimates made last spring.

Late registrations are expected to raise the total by another 150 or 200 within the next two weeks.

El Capitan, with 2,255 students, was the most congested school in the district. Grossmont recorded the highest enrollment in the district with a total of 2,549.

Mount Miguel high, with 2,242 students present, was 100 below its estimate, and Monte Vista reached its estimated number of 1,132.

Grossmont, Mount Miguel, Helix and Granite Hills have enrollments over capacity, although not as critical as El Capitan, it was reported to the Grossmont Union High School District Governing Board last week.

School Boundary Change

A report on attendance boundaries submitted by Superintendent Lewis F. Smith indicated a need for changes to reduce the pressure on El Capitan, Mount Miguel, and Granite Hills high schools. The board authorized further study of proposals which would enlarge the Monte Vista attendance area and reduce the other three.

The board approved the principle that students currently enrolled in any school affected by the possible boundary change would be permitted to continue through to graduation, but new students, including entering freshmen, would enroll at Monte Vista. It was indicated that transportation would continue to be provided to the schools involved.

Accepts 76 Acres

In further action, the board authorized acceptance of 76 acres of the former Camp Elliott for the vocational agriculture program and a future high school site at no expense to the district. The site is located between Mast and Rumford sts., west of Carlton Hills.

Trustees made a tour of the site and indicated that it would be an excellent site to serve the long range needs of the western portion of the Santee District, including the Camp Elliott area, when it is developed.

Project Approved

The board also approved a Technical Vocational Education Project to be financed from NDEA funds which will stimulate exploration in the technical arts. A new feature of the project includes girls in the program. Total cost will be $5,840.

Students will have opportunities under expert help and guidance, to explore instrumentation and materials testing which form a basis for almost all of the technical occupations. They will utilize laboratories, shops, and libraries, visit industrial fatechnical report.

Students will be nominated for the program by industrial arts teachers and counselors in the seven high school on the basis of aptitude, interest, and demonstrated ability. This program will be designed mainly for students not preparing for college, but with above average aptitude.

Rain Here Is More Than One Inch

Life-giving elixir from the sky, comprised of big, juicy raindrops fell on Lemon Grove and Spring Valley in comforting quantities this week during an unanticipated storm.

Rain fell here Tuesday (.33 inches) and Wednesday (.79 inches 'til noon) for a total of 1.2 inches.

The total of a previous storm on September 4 was .89 of an inch bringing the month's total to 1.89 inches, a pretty good start for the new season.

Football Carnival Is Friday

Grossmont high school will play host to six other teams in the annual Grossmont League Football Carnival at Aztec Bowl this Friday.

Approximately 11,000 spectators are expected at the carnival, which gets underway at 7:30 p.m. with performances by bands and drill teams of Grossmont League schools.

Kick-off time is at 7:50 p.m. when east plays west in this annual spectacular. In the first quarter the Mount Miguel Matadors will face the Monte iVsta Monarchs on the Aztec gridiron.

Helix high will meet El Capitan in the second quarter, the Matadors will bounce back to play the Granite Hills Eagles in the third quarter, and Grossmont high will cloe the game in their quarter with El Cajon.

Admission to the carnival is $1.75 for adults, 75 cents for students with ASB activity cards, and 50 cents for children.

Now Is College Plan Time

This is another in a series of articles dealing with our school system. The articles are as timely as they are informative and cover areas not generally found in newspaper articles.

The material is obtained from the Education News Service which was compiled under the direction of the California Teachers Assn.

If you're a high school senior this year and haven't yet applied for admission to the college you're interested in, you'd better get moving

That's the latest word from educators, who say that November of your senior year is "the last safe date for application," particularly to a major college.

If you're a high school junior, you can start bracing for the college entrance tests you'll be bound to take this year. And if you're a younger student—even down to seventh grade —there are things you can do now to ensure a college education in your future.

The California Teachers Association suggests some things you can do to make sure you'll get into college if that's to be your goal:

SEVENTH GRADE—Student, parents and school staff should work together on the academic goals to be met to qualify for college including consideration of whether the student should go into any advanced classes the following year.

EIGHTH GRADE—Decide on ninth grade courses, which will begin to govern the type of college to which the student can apply.

NINTH GRADE—Interpretation this year of the student's abilities in various subject areas may point more clearly to a career choice, and therefore a college choice, if any.

TENTH GRADE—By this time the school should be able to recommend in which areas the college-bound student should concentrate—more math, more science, more languages—to ensure his college application will be accepted.

ELEVENTH GRADE—This is the year the college preparatory student should start studying college catalogs, reference books and materials explaining the tests he make take—Preliminary Scholastic Aptitude Test, National Merit Scholarship Qualifying Test, or others. The tests give a preliminary look at how the student has been doing. At the end of the junior year, the high school determines his class standing. The standing and test scores will usually be included in any transcript submitted for college entrance.

SENIOR YEAR—More tests—the Scholastic Aptitude Test, also known as College Boards, which is used in determining National Merit Scholars (NMS) from semi-finalists chosen through the NMS Qualifying Test the previous year.

By the senior year, the student must decide where he's go-

Rain Washes Out Ribbon-Cutting Here

The ribbon-cutting ceremony scheduled for the opening of the 4 lane expressway connecting La Presa and the South Bay area was cancelled Wednesday after a good, old-fashion mid-west type rain was falling at ceremony time.

David W. Bird, county supervisor, who was to have been master of ceremonies, explained that it would not be possible to get all the dignitaries together again on short notice. He also pointed out that no further delay in the use of the road was desired.

"We'll be having a lot more ribbon cuttings in my district soon," he said.

This newspaper inadvertantly listed Monday as the dedication date last week adding to the confusion.

"The expressway is open now and is the forerunner of more of the same," Bird said.

Grossmont College Enrollment Jumps 16% This Year

Grossmont College registered 2,755 students this year, a 16 per cent increase over last year's total enrollment of 2,368, Grossmont officials reported Monday.

Broken down, the student body of Grossmont Junior College is comprised of 1,762 day students and 993 night students. Officials also said that 204 students registered late.

Some 1,515 students are new to Grossmont College, which is sharing the Monte Vista high school campus until it own campus in Fletcher Hills is completed. About 1,240 are returning students, and men outnumber the women by almost two to one, officials said.

DEDICATION — Getting ready for official dedication ceremonies of the new general headquarters of both the Otay Municipal Water District and the La Presa County Water District are, seated left to right, James Schutte, president of the Otay Municipal Water District, and Fred J. Hansen, president of the La Presa County Water District. Standing left to right are Harry Baker, general manager of both districts, and Donald Short of Boyle Engineering, engineers for both districts. Dedication ceremonies are scheduled for 3 p.m., Friday, at the new headquarters building at the corner of Sweetwater Springs Blvd. and Jamacha Blvd. in La Presa. Principal speaker will be Fred Heilbron, chairman of the County Water Authority. The $65,000 quarters was designed by Stanley J. French, AIA, of Boyle Engineering, engineers for the district.

Foothills Art Assn. Offers Children's, Adult Classes

A class in creative art for children from 9 to 13 years of age will begin this Saturday morning, September 21, at the Foothills Art Association Workshop, 8200 La Mesa blvd.

The class will be taught by Mrs. Mathilde Flores, experienced children's art teacher of San Diego. Parents may obtain further information by calling Mrs. Flores at 592-6599, or by coming to the workshop Saturday morning.

The class will meet from 10 a.m. to noon, and sketching materials for the first session will be supplied by Mrs. Flores, who will give the children a list of materials needed for later use.

The Saturday children's class is the fifth to be scheduled at the new workshop for the fall season. Two classes in oil painting for adults and two in watercolor started there this week.

Lyne Shackelford, president of Foothills Art Association, said a few additional students could be accepted, but registration will be kept small to provide the advantages of private instruction along with the benefits of group study.

Persons interested in oil painting may call Doris Floyd of La Mesa, 469-8864, about her Monday evening class, or J. Roland McNary of San Diego, 295-8365, about his Tuesday morning class.

Those interested in watercolor may call Robert Landry, 463-2094, or come to the workshop this evening, September 19, at 7:30 p.m., when the first session will be held.

Clarence West, nationally known for his watercolor portraits, has opened a Wednesday morning class in this specialized art and will accept one or two more students with previous experience in drawing from a model. His telephone is 281-0191.

OVERINFLATED TIRES ADD LITTLE TO GAS ECONOMY. It's true that overinflated tires do reduce road friction somewhat, since less tire surface actually touches the road. But the small gas savings are no compensation for worn-out, over-stressed tires and the expense of replacing them. Mr. and Mrs. Samuel W. Angius

Angius Nuptials Performed At Trinity Presbyterian

Peggy June Zellmer, daughter of Mr. and Mrs. Herman Zellmer of Marshall, Minnesota, became the bride of Samuel Angius of Spring Valley August 8.

The Rev. Keith A. Mitchell conducted the wedding ceremonies in an afternoon ceremony at Trinity Presbyterian Church in Spring Valley. A reception followed in the home of the bridegroom's parents, Mr. and Mrs. Samuel Angius, 10318 Loma Rancho, Spring Valley.

Maid of honor was the bridegroom's sister, Barbara Ellen Angius, and the best man was his cousin, David A. Mikovich, of San Diego.

The bride attended high school and a school of cosmetology in Minnesota.

The bridegroom was graduated from Hoover high school and attended San Diego City College for three years. He is a journeyman stone mason and presently is serving in the Army in St. Paul Minnesota. Upon his military discharge in February, 1964, the newly-weds will reside in San Diego.

Golden Ave. PTA Names Officers

The executive board of the Golden Avenue elementary school PTA held their first meeting of the year on Sept. 16th at the home of Mrs. Charles E. Boone.

Mrs. Vernon C. Neely, president, announced the appointment of the following chairmen: character and spiritual life, Mr. Leighton Case; child welfare, Mrs. Charles E. Boone; courtesy, Mrs. Frank Whigham; honorary life and Founders Day, Mrs. Gordon Fairman; legislation, Mrs. Lee Nottingham; magazines and emblems, Miss Zoe Scribner; newsette, Mrs. John Hollowell; parent education, Mrs. Newton B. "CONSECRATION"

"CONSECRATION"

God calls men and women to the ministry of witnessing. This includes the work of the church in all areas at home and abroad. When the Lord calls a person to serve Him as a messenger, He expects that person to consecrate himself to the calling.

Lemon Grove Lutheran Church Message

Christian Science Sermon Is Matter

The Christian Science Bible Lesson for this Sunday is on the subject of "Matter."

Scriptural readings will include this verse from I John (2:17): "The world passeth away, and the lust thereof: but he that doeth the will of God abideth forever."

A related passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read: "Christianity causes men to turn naturally from matter to Spirit, as the flower turns from darkness to light. Man then appropriates those things which 'eye hath not seen nor ear heard'" (p. 458).

UC To Offer Food and You Course Here

A short course on "Food and You" will begin October 2 at 10 a.m. in the Lemon Grove Woman's Club house, 2810 Main st.

Mrs. Delphine D. Wilson, home advisor of the University of California Agricultural Extenscon Service, will teach the course which continues on the three consecutive Wednesdays after October 2. She will answer such questions as: Does everyone, regardless of age, need the same nutrion? Are vitamin pills necessary? What is the difference between saturated and unsaturated fat? Why is one man's food another man's poison?

There is no charge for the course and there are no educational prerequisites. Child care will be provided, according to Mrs. Helen Earhart, a spokesman for the course.

Enrollment cards are available through local chairmen Mrs. P. Pantazoplus, 2969 Washington, 466-3912; Mrs. Helen Earhart, 2534 Crestline dr., 463-6934; Mrs. Josephine Robeson, 1663 Skyline dr., 469-6988; and Mrs. Leonard F. Cook, 2544 Peryl dr., 463-7414.

KIDS' DAY — Getting ready for Kids' Day in Lemon Grove this Saturday are a group of youngsters choosing sides for a baseball game. Kids' Day, sponsored by the local Kiwanis Club, will include a parade, athletic activities and movies. Climbing the baseball bat left and right are Mark Panhorst and Greg Keyes. In front from left to right are Christie Arrollado, Gayle Durham and Jack Costeau. Back row left to right are Joey Stubbs (kneeling), Kenny Kemp, Ray Commody, a member of the Kiwanis Kids' Day committee, Jennefer James, Margene Keyes and Cheryl Bolieu (holding soft ball). Valerie Arrollado (kneeling between boys) looks up at the bat.

L.G. Kids' Day To Feature Parade, Movies, Athletics

Athletic activities ,a parade and free entertainment will be special features for the youth of Lemon Grove during Kids' Day this Saturday.

Hundreds of Kiwanis Clubs across the nation will be sponsoring similar events in their communities during Kids' Day, an annual observation earmarked especially for youth between the ages of 7-13 years.

The Kids' Day parade in this community will assemble at 12:30 p.m. on the corner of Citronella and Lincoln streets directly behind the fire station. All kids can participate in the parade and athletic events, according to Frenchy Faucher, chairman of the program.

Awards will be presented for the best decorated bicycle, the best decorated wheel entry other than a bicycle, and the best costumes, either original, characterization, humorous or comic.

Bands and marching units from high schools and junior high schools will participate in the parade, which will proceed north on Imperial to Broadway where it will turn east to Kempf to Lemon Grove junior high school.

Following the parade at 2 p.m. Disney movies will be shown in the junior high school auditorium to pre-school children under 6-years-old.

Also during that time, youths 7 to 9 and 10 to 13 years old will compete in athletic events on the junior high athletic field, Faucher said. Events include baseball throw, football pass, football punt, baseball throw, and basektball toss. Competition will be according to age groups.

All children will be treated to ice cream at 3 p.m. when the 7-13 year old age group goes into the junior high auditorium to watch Disney movies, the life story of Knute Rockney, the famous football coach of Notre Dame, and a film on auto racing.

Kids' Day officially ends at 4:30 p.m.

Kiwanis Club members who are making arrangements for Lemon Grove Kids' Day are Paul Reynolds, Bob Howell, Bert Cosby, Doug Giles, Ray Carmody, Robert Burns and Stan Rogers.

County To Hire Another Appraiser

Applications for an opening as Personal Property Appraiser in the County Assessor's office will be accepted by the San Diego County Personnel Department through September 30, with a written test scheduled for October 12.

This permanent position paying a salary range of $559 to $679 monthly requires that applicants be college graduates or have equivalency in sales or merchandising experience, plus either one year of recent personal property appraising for a governmental or fiduciary agency, or two years of recent sales or merchandising of varied personal property of high value and large volume nature.

Applications should be filed at Room 403, Civic Center, San Diego.

Cheerleaders Need Sponsor

The Bantam cheerleaders, composed of seven young ladies from 4 to 13 years old, need a sponsor.

The girls want to be cheerleaders for a local youth football team, but haven't been able to raise enough money to buy sweaters and megaphones. Mrs. James Jordan, advisor of the group, said the girls are $30 shy, and that the name of a sponsor could be put on the two megaphones.

Anyone who would like to sponsor the girls should contact Mrs. Harry Seal at 548 Parkbrook st., Spring Valley, or call her at 471-3068.

Bantam cheerleaders are Sylvia Gezocich, Sharon Goodmundson, Sherry Opperman, Violet Seal and Anita Baker. Mascots are Chris Jordan 4, and Linda Seal, 5.

FROSH INFORMATION READY FOR HELIX PTA

Helix High School PTA's first meeting of the year will be held on Thursday, September 19, at 7:30 in the cafeteria.

Information for all freshmen parents will be on the docket. Attendance, insurance, student activities, homework, college requirements all will be explained. Thomas C. Lean, president urges all freshmen parents to attend.

The executive board will hold its first meeting on Monday the 23rd in the school library. Plans for the membership drive and the Halloween dance will be on the agenda.

Concert Association Lists This Season's Performers

The Board of Directors of the Grossmont Community Concert Association last week announced the names of the four artists who will perform in the concert series this season.

Celedonio Romero and his sons, Celin, Pepe and Angel, will open the season October 14. Considered the "Royal Family of the Guitar," the Romeros are originally from Spain and are now in Los Angeles where they conduct a guitar school.

Time magazine says of them: "Indisputably one of the best guitar ensembles around." The New York Herald Tribune said, "A triumphant New York debut—here was classical and Flamenco playing of the very highest order."

Violinist To Appear

High point of the season will be Wednesday night, December 4, when the great violinist Yehudi Menuhin comes to Grossmont. Menuhin has few peers and no superiors.

When he was a boy of eleven, Yehundi stepped onto the stage of Carnegie Hall and, with the New York Symphony orchestra behind him, astounded his audience with his brilliant performance of the Beethoven Concerto, one of the great master works usually performed only by the great virtuosi. A talent hailed as phenomenal by press and public alike, Menuhin remains superior in his field today.

To Feature Soprano

Phyllis Curtin, leading soprano of the Metropolitan Opera, La Scallo, Milano, Vienna State Opera, will present the third concert of the season the evening of February 10, 1964.

Beautiful and with a matchless vocal technique, Phyllis Curtain is a musical rarity, a singing actress of the very first rank. Essentially a dramatic singer, she has power, purity and flexibility. Life magazine recently said: "As the Country's best and busiest singer of contemporary music, she has had 53 works written expressly for her and has premiered more new operas than any other American soprano."

Final Concert

The final concert will be March 2 when Michel Block, the sensational 25-year-old pianist, is soloist.

Block was born in Antwerp, Belgium of French parents. His family moved to Mexico City and Michel's career began in earnest. At 16 years he made his debut with the Mexican National Symphony Orchestra, playing three concerts at a single concert.

His New York debut in December, 1959, was hailed with unanimous critical acclaim and was instantly recognized as one of the most brilliant and communicative artists of the generation.

Only members of the Community Concerts may attend these performances. No single admissions are sold.

Officers Named

New officers of the Grossmont Community Concert Association are David Oldham, president; William Benner, first vice president; Mrs. Wendell W. Robley, second vice president; Raymond Hunter, executive secretary; Jack H. Knowlden, treasurer; Mrs. Gordon T. Decker, membership secretary; Mrs. William Benner, concert chairman; Mrs. Esther Moulton, campaign chairman; and Gladys Cleator, publicity chairman.

A Premonition About Shoes

Karen Strehle, 17, was preparing to go to a sock hop at Helix high school last Friday the 13th where she is a senior.

"Oh, honey, you're not going to wear your new shoes," her mother, Mrs. Ornold Strehle, exclaimed.

"It's perfectly safe," Karen told her mother as she put on her bright, patent leather flats. "They have a room at the school where you check your shoes."

When the dance ended and Mr. Strehle went to pick up his daughter, he found her at the gymnasium in her stocking feet.

Karen and a boy both lost their shoes. The boy's shoes were found in the bushes under a window of the gym, but Karen's never turned up. Mrs. Strehle said she had a premonition something was going to happen to the shoes.

If anyone put on an extra pair of red flats at the sock hop Friday night, or knows of the whereabouts of said pair, they are invited to call the Strehle's at 469-2698.

The Rev. Glenn Merrifield, pastor of Windsor Hills Baptist Church, will show pictures of the Holy Land Saturday at the First Baptist Church of Encanto, 7166 Jamacha rd. The public is invited to the show.

WHAT'S DOING

Streeter King, your telephone manager in Lemon Grove.

Did you know that newspaper pages can be sent through the air by radio waves? This happens in San Francisco, for example, when each page of *The Wall Street Journal* is set in type. Complete pages are electronically "photographed" and transmitted over our microwave and cable system to the Journal's facsimile receivers in Riverside, California. There a negative is printed and removed (as shown at right), a metal plate is made, and the presses print a duplicate of the paper for Southern California. It's another example of how improved communications serve in more and more ways.

• • •

The front pages of your phone book contain information to help you get the most from your telephone service. Why not become familiar with them?

• • •

If your youngsters at college don't write home as often as you'd like, here's one way to keep in touch. Why not arrange a time for a weekly telephone call? Remember, nothing says "you" like your voice.

• • •

We will be sending the 1964 Directory to the printers on October 17th. Advertising cannot be accepted after September 27th. Now is the time to add that personal listing for various members of your household, especially if their last name is different from yours. Each name is only 35¢ per month. Call your Service Representative on 466-3201 for information.

• • •

One gift that's sure to work many wonders is a contribution to the United Community Fund. Since the proceeds are shared by most of our voluntary health and welfare agencies, your donation enables them to give a helping hand to children, teenagers and adults in all walks of life.

Face-Lifting Set for 23 S.D. County Roads

"R Day" is on in Lemon Grove and Spring Valley.

"R" is for resurfacing and that's what will happen to 23 streets, avenues and lanes.

A one-inch asphaltic concrete surface will be laid over the following roads starting this week. The completing is scheduled for October 1, according to David Bird, County Supervisor:

Carolle circle—Panorama dr. to Carrole
Boulevard dr—Mass. to 69th.
Canton dr. — Watwood dr. to Taft st.
Central ave.—Federal blvd. to Main st.
Cypress—Alton dr. to Mt. Vernon
Elma ln.—Rolando Knolls to 68th st.
Glebe rd.—San Miguel to Fisher ln.
Harness st.—Helix st. to Presioca
Hoffman ave.—Mass. to 69th st.
Kenwood dr. — Campo rd. to Central ave.
King st.—Hoffman ave. to Lois st.
Lamar st.—Helix to Bancroft dr.
Lemon st.—Valencia st. to Bancroft dr.
Lois st.—University to 69th st.
New Jersey st.—San Miguel to end
Terry ln.—Alamo way to Tower st.
Toni ln.—Alamo way to Tower st.
Washington st.—Palm ave. to Golden ave.
Troy st. — Sweetwater rd. to Bancroft dr.
San Altos pl.—San Pasqual st. to Mass.
Tyler st.—Bancroft dr. to sweetwater
Bentley dr.—Hartzel dr. to Hartzel dr.
Drexel dr.—Canton dr. to end

David K. Speer, County road commissioner, said the road department will make an attempt to keep inconvenience to the public to a minimum. Affected streets will either be closed to traffic for about four hours, or only one lane traffic will be permitted thereon. Parking will also be controlled. Appropriate signs and barricades will be utilized.

The work can be expedited by good public cooperation, especially in keeping the scheduled streets clear, in not using the new surface until sufficiently dried, and in following the temporary traffic arrangements, he said.

These improvements are entirely financed from the San Diego County apportionment of the State Highway Users Tax.

Jr. College Bids To Soon Be Asked

Approval to advertise for bids for the construction of the new $7.5 million Grossmont College campus was granted by the Grossmont Junior College District Board of Trustees at the regular meeting held Monday night.

Complete plans for the new campus, presently in the State Fire Marshall's Office, have already been approved by the California State Division of Architecture, according to Superintendent Harold G. Hughes.

"Receipt of the plans with final approval by all state regulatory agencies is expected within a week at which time bid advertising may be started," Hughes said.

A report presented by Richard George Wheeler, campus architect, indicated that building construction is expected to start by November 1, 1963, and that completion of the administration, fine arts, academic, and technology-science centers is scheduled for August 1, 1964; the physical education locker building and library for September 1, 1964; and the gymnasium and student center for October 1, 1964.

Lost Little Girl Refuses Ride Home

by Tom Gorton
News Editor

A 5-year-old kindergartener wandered along Elkelton blvd. Friday the 13th crying vehemently in lost despair.

The little girl, Diana Braun, had been taken to the corner of Elkelton and Jamacha rd. with a group of children by patrol boys from Avondale elementary school. The children are escorted to Elkelton and Jamacha and are supposed to meet their parents or walk home from there.

However, Diana Braun, for the first time since school started September 10, missed her mother who was waiting for her and wandered along Elkelton trying to find her way back to school.

Crying as she meandered aimlessly along Elkelton, a middleaged couple stopped their car and offered to take Diana home. But Diana, showing suspicion and wariness unusual for a lost 5-year-old, refused. Along came Donald Noel, a mail carrier at the Spring Valley Post Office for the last two years, who delivers to Diana's home at 1137 Purdy, about 500 yards away from the corner of Elkelton and Jamacha where Diana was left by the patrol boys. Noel said he found Diana in the 500 block of Elkelton, about a mile and a half from her home.

Diana told Noel she would follow him on his mail route until he reached her home, rather than go with the middle-aged couple.

Noel agreed to take Diana home with the couple in their car. When they arrived at Diana's home, they found Diana's mother, Mrs. Ronald Braun, giving Diana's description to a Highway Patrolman.

Diana, who had been silent, bursted out crying when she saw her mother. "The first thing she said to me was, 'we're supposed to bring something green to school Monday'," Mrs. Braun said. "Her kindergarten class is learning colors."

MISS MAJORETTE — Francie De Pietro, 17, of Lemon Grove, won top honors at the California State Fair and Exposition this month when she competed and won the sweepstakes trophy for baton twirling, the Miss Majorette of the Golden West trophy and trophies for first solo advanced, second in exhibition twirling and second in costume design.

Lemon Grove Baton Champ Takes State Fair Sweepstakes

A 17-year-old Lemon Grove girl took a trip to the California State Fair and Exposition early this month and came home with top honors in the Baton Twirling Contest.

She is Francie De Pietro, daughter of Mr. and Mrs. Samuel De Pietro of 1600 Larwood. She won the sweepstakes trophy, the Miss Majorette of the Golden West trophy, and trophies for first solo advanced 15 and older, second in exhibition twirling and second in costume design.

Miss De Pietro said the State Fair audience was the second largest she has performed before in California — and she strutted and twirled at peak performance under a blistering 100 degree-plus temperature, and on the grass.

A senior at Mount Miguel high where she is a feature majorette, Francie was last year's senior state twirling champion. Represnting California, she competed with the nation's best majorettes in the Nationals at St. Paul, Minnesota, where she placed fourth in the finals.

Miss De Pietro also was first runner-up in the Miss Majorette of America contest at St. Paul, Minn., last January

During her seven and a half years as majorette, Francie has collected a garage full of trophies and awards, and has performed in cities all over the nation.

She teaches twirling and strutting in her home and plans to retire as national twirling champion in the near future.

Local Contractor Gets $4 Million Jr. College Job

(Continued)

the City of Chula Vsta.

According to Joseph Rindone, superintendent of the Sweetwater High School and Junior College District, 2,613 full and part time students have already enrolled. The capacity of the part under construction will be 2,000 students, he said. Because more than half of the total number already enrolled are part-timers, overcrowding is not anticipated when the college opens in 1964.

The first nine units will occupy an area of 40 acres. Included are the schools of business, liberal arts, sciences, technology, library, physical education and gymnasium, student union and fine arts. Perimeter parking is being provided for 2,000 cars.

The master plan calls for a capacity of 4,000 students by 1975, Rindone said. An ultimate student capacity of 6,000 is possible, he said.

Carpenter was the general contractor on the following east county high schools: Mt. Miguel, Monte Vista, Helix, El Cajon, El Cajon Junior high and El Capitan. He also built six schools in San Diego City including Castle Park high.

The Castle Park school board issued to Carpenter a letter of commendation for his satisfactory construction and his cooperation when the school was completed. According to officials of that district, it is the only commendation given to any contractor by a city school.

ing and have made application to the colleges in which he's interested. And he should understand the financial resources needed to pay the costs of college—up to $12,000 for four years at a private college.

WHAT CAN PARENTS DO—Encourage each child to read widely, take him to the public library for library cards, set an example by their own reading habits.

Provide a well-lighted place where he can study, removed from distractions.

Make sure his course schedule, especially in the important 9-12 grade span, is suitable for his plans now, yet flexible enough to allow him to shift gears if he changes his mind.

Remember that your child needs rest and relaxation, too. Don't make him concentrate all his energies on study.

Don't insist he go to your college—it may not fit his needs at all.

More than a million students will be trying to get into college in the coming year. They'll be applying for admission to the 2,000 or so colleges and universities in the United States. A goodly part of the group will apply to more than one college at a time—to a high-prestige college (just in case they can make it) and also to some other good colleges or universities which may not be so well-known (just in case they don't).

And it's this that makes up the distorted picture of the crowded campus. While about 100 top colleges or universities have four and five times the applications they can handle, seats in other good colleges are going begging. And when a student applies to a number of colleges for entrance, he's counted that same number of times in statistics.

California youths have one great advantage over their counterparts in most states—the well coordinated system of junior colleges, state colleges, state university campuses and private institutions place a high quality education beyond high school within the academic and financial reach of any ambitious student. But early planning still helps to avoid mistkes and regrets.

The restyled Ford Fairlane for 1964 presents a big-car appearance and boasts engine performance that was proved in the Indianapolis "500." Although new styling makes the middleweight Fairlane look bigger, it remains about the size of the 1956 Ford on the outside and the 1959 Ford on the inside. Five engines are available, three of the same basic design as the Fairlane V-8 that powered Lotus cars to second and seventh places in the gruelling Indianapolis race. These include two 289-cubic-inch V-8s, one 260-cubic-inch V-8, plus 170- and 200-cubic-inch six-cylinder engines. Combined with five transmissions, these power plants offer a full array of performance and economy choices for 1964. Eight Fairlane models—hardtops, station wagons and sedans—will be introduced in Ford dealer showrooms September 27.

LETTERS TO THE EDITOR

PTA TO SET STUDY CONFERENCES

Dear Editor:

Your "Dimmer View" article of last week concerning Teacher-Parent Conferences was excellent. As you know the Parent-Teacher Assocoation is primarily concerned with this area of promoting information between parents and teachers on a group basis as well as an individual basis

Each unit will at some time during the school year set up conferences for parents on some timely subject. The PTA will secure the homes in which to hold the conference, provide the refreshments and recruit the parents. Following this initial programming the unit Parent Education Chairman will schedule the day and hour most suitable to the particular teacher and principal involved.

The PTA will hold study series with competent speakers covering such subjects as children's literature, health, school procedures, grade study and many others.

The California Congress of Parents and Teachers is again this year setting up 13 television programs to be viewed all over the state including such topics as Teen-agers and Automobiles, Teen-agers and Dating, Protecting our Children, and Preventing School Dropouts.

The PTA is available and willong to set up parent study series at any time the need arises. Any effort spent to improve the parents' understanding of the school and any effort spent to give the teachers aid in teaching the children is PTA's ample reward.

Sincerely,
Mrs. Frank Armstrong
9th District, C.C.P.T.

RESOLUTION NO. 9181
A RESOLLUTION ESTABLISHING TIME OF HEARING OF PETITION AND GIVING NOTICE OF THE PROPOSED ANNEXATION OF AN UNINHABITED AREA KNOWN AS "CHRIS COSGROVE ANNEXATION, LOT 39 & PORTION OF LOT E, LA MESA COLONY, MAP NO. 346" TO THE CITY OF LA MESA, A MUNICIPAL CORPORATION.

WHEREAS, there has been filed with the City Council of the City of La Mesa, a Municipal Corporation, a written petition signed by the owners of more than one-fourth of the land by area, representing in excess of one-fourth the assessed valuation according to the last equalized rolls in the Assessor's office of San Diego County, of a portion of the contiguous uninhabited territory hereinafter more particularly described requesting that such territory by annexed to the City of La Mesa;

WHEREAS, proceedings have been initiated by the City of La Mesa to annex the portion of the contiguous uninhabited territory hereinafter more particularly described which is not included in the above referred to written petition.

NOW, HEREFORE, pursuant to the Annexation of Uninhabited Territory Act of 1939 of the State of California, Title 4, Division 2, Part 2, Chapter 1, Article 5 of the Government Code of the State of California (Section 35300 through 35325), the City Council of the City of La Mesa, California, hereby resolves as follows:

1. That the City desires annexation as a logical extension of City boundaries and because the City of La Mesa can best serve the properties with sewerage facilities.

2. That the contiguous uninhabited area, the subject of such proposed annexation proceedings, shall be designated as "CHRIS COSGROVE ANNEXATION, LOT 39 & PORTION LOT E, LA MESA COLONY, MAP NO. 346".

3. That the boundaries of the territory subject to such annexation proceedings and the true legal description thereof are as follows:

All that unincorporated real property situated in the County of San Diego, State of California, described as follows:

Beginning at the Northeast corner of Lot 39, La Mesa Colony, as shown on Map thereof No. 346, filed March 8, 1887, in the Office of the County Recorder of San Diego County, said corner being also in the City of La Mesa boundary as established by Ordinance No. 394, adopted by the La Mesa City Council November 16, 1951.

1. Thence Southeasterly along said city boundary as established by said Ordinance No. 394 to an angle point in said city boundary as established by Ordinance No. 493, adopted by the La Mesa City Council July 14, 1953.
2. Thence Southerly along said city boundary as established by said Ordinance No. 493 to a point in the Southerly line of the Northerly 10 feet of Vista Street (now known as Saranac Street) as vacated and closed to public use April 30, 1923, by order of the Board of Supervisors of said San Diego County, said order being recorded May 11, 1923, Book 751, Page 309, of Deeds, in the Office of the County Recorder of said San Diego County, said point being also in the boundary of the City of San Diego as established by Ordinance No. 12362, adopted by the San Diego City Council June 10, 1929;
3. Thence Westerly along said San Diego city boundary as established by said Ordinance No. 12362 to an intersection with a line drawn at right angles Northerly to the Northerly line of Vista Street through the Southeasterly corner of Lot "D" of said La Mesa Colony, said intersection being an angle point in the boundary of the City of San Diego, as established by Ordinance No. 11776, adopted by the San Diego City Council June 11, 1928;
4. Thence Northerly along said line drawn at right angles to the North line of Vista Street and said San Diego city boundary ,as established by said Ordinance No. 11776, said boundary being also the Easterly line of Lots "D" and 38 of said La Mesa Colony, to a point in the boundary of the City of La Mesa, as established by Ordinance No. 417, adopted by the La Mesa City Council June 10, 1952.
5. Thence Southeasterly along said City of La Mesa boundary as established by Ordinance Nos. 417 and 394 to the Point of Beginning.

4. That notice be, and it is hereby given of the proposed annexation of siad territory to the City of La Mesa, a Municipal Corporation;

5. Notice is hereby given that on the 22nd day of October, 1963, at the hour of Seven O'Clock P.M. of said day, at the Council Chambers at the City Hall of the City of La Mesa at 8130 Allison Avenue in said City, a hearing will be held at which time and place the City Council will hear protests made by any person owning real property within said territory;

6. The City Clerk of the City of La Mesa is hereby ordered and directed::

(a) To cause a copy of this Resolution to be published at least twice, but not oftener than once a week, in the La Mesa Scout, a newspaper of general circulation published in the City of La Mesa, and also in the LEMON GROVE REVIEW, a newspaper of general circulation published outside the City of La Mesa but in the County of San Diego (said publications to be completed at least 20 days prior to the above hearing date).

(b) To cause written notice of the above proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed in the last equalized County assessment roll available on this date, at the address shown on said assessment roll or as known to said City Clerk, and to any person who has filed his name and address and the designation of the land in which he has any interest, either legal or equitable, with said City Clerk.

((c) To cause written notice of the above proposed annexation to be mailed to the Board of Supervisors of the County of San Diego.

(d) To cause the notices referred to in paragraphs (b) and (c) above to be given not less than 20 days before the above hearing date.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of La Mesa, California, held on the 10th day of September, 1963, by the following vote, towit:

Registration Open for Punt, Pass and Kick

Grade school boys 8 through 11 may register without charge for the Punt, Pass and Kick program at Spears Ford in Lemon Grove between 8:30 a.m. and 9 p.m. any day except Sunday until October 11. Each boy must be accompanied by a parent or guardian.

The Lemon Grove-Spring Valley competition will be held Friday, Oct. 11 at the Lemon Grove Junior high school ballfield. Local winners will be announced at that time, and subsequently notified for further competition if any are tied with others in the state for statewide honors.

Sponsor of the L.G.-S.V. Punt, Pass and Kick program is Spears Ford and co-sponsored by the L.G. Rotary club.

For information about the Punt, Pass and Kick program contact Lloyd Fish, at Spears whose telephone number is 465-7220. He can be reached at home at 466-4920.

Opponents Delay Church Building

SAN DIEGO (CNS) — Another delay was caused Friday in the special use permit for the proposed Highland Park Southern Baptist Church on Sweetwater rd. in La Presa.

The permit, which has been opposed by neighbors to the rear of the church of Broadview, was held up until an opponent could gather the views of her neighbors about a proposed solid fence around the church property.

A 200-seat church is proposed for the 1.7 acre site with parking for 42 cars.

Church members submitted a revised plot plan to the commission that outlined the exact limits of the parking area and providing for a six-foot solid fence around the north and east side of the property.

Mrs. B. McMillan, who lives to the rear of the church site, objected to the solid fence because it would block her view.

Commissioners asked her to get statements from the other property owners affected before they eliminated the fence requirement.

FIVE DISTRICT TEACHERS TRANSFER

Local teachers of the Grossmont Union High School District have transferred from one school to another with the opening of the new semester. Transfers occur because of changes in enrollment or when a teacher requests a different assignment.

Transferring to Grossmont College are Robin Larson, El Cajon high match teacher, and John Stubbs, Mt. Miguel business education teacher.

From Monte Vista, Dorothe Bonsignore has joined the English department at El Capitan, and Clifford Phillips has gone to Mt. Miguel's science department.

Stanley Baker, who last year taught at both El Cajon and Monte Vista high schools, will teach German this year at El Cajon and Grossmont.

SACRAMENTO-JAMACHA RD. GETS RECLASSIFICATION

SAN DIEGO (CNS) — Rezoning was approved Friday by the County Planning Commission for commercial use of .34 of an acre at the northwest corner of Jamacha blvd. and Sacramento ave., in La Presa.

Leland and Lora Fuqua asked for the reclassification from R-1-A, single-family residential, to C, commercial use.

LEGAL NOTICE

Re Construction of a Sanitary) Sewer System in MacARTHUR) DRIVE, at al., in the Vicinity of).... LEMON GROVE in the Unincor-) porated Area of the County of) San Diego, Area No 93 . . . .)

RESOLUTION PROPOSING TO AMEND THE RESOLUTION OF INTENTION AND OTHER DOCUMENTS TO REFLECT INCREASE IN WORK TO BE DONE AND ESTIMATED COST

WHEREAS, the Board of Supervisors of the County of San Diego, State of California, did, on the 21st day of May 1963, adopt a Resolution of Intention to order certain work to be done and improvements to be made, namely, the construction of a sanitary sewer system in MacARTHUR DRIVE, et al., in the unincorporated area of the County of San Diego, Area No. 93; and

WHEREAS notice was given and a hearing held on June 18, 1963, on said Resolution of Intention by said Board as required by law; and

WHEREAS, a Resolution Ordering Work and Fixing Prevailing Wages was adopted on June 18, 1963, and Notice Inviting Sealed Proposals having been posted and published as required by law; and

WHEREAS, pursuant to law, a contract was entered into on August 21, 1963, between the Superintendent of Streets and Ham Bros. Construction, Inc., the lowest responsible bidder, for said work and improvement; and

WHEREAS, the Superintendent of Streets has requested changes in said work and improvement as shown on Document No. 336344, on file in the office of the Clerk of the Board of Supervisors. The changes set forth are required in order to serve three additional properties. It is also necessary that the assessment district be amended to include the additional property benefited by the proposed extension of the sewer; and

WHEREAS, the written consent of the contractor, Ham Bros. Construction, Inc., to all of said changes as required by Streets and Highways Code Section 5231, has been filed with the Clerk of the Board of Supervisors as Document No. 336334; and

WHEREAS, said Board now proposes to amend the plans and specifications, Document No. 329874, filed with and approved by said Board for this project as shown by the revised plans, Document No. 336345, on file with the Clerk of the Board of Supervisors; and

WHEREAS, said Board of Supervisors now proposes to amend said Resolution of Intention, Resolution Ordering Work and Fixing Prevailing Wages and said contract and all other necessary documents so as to reflect said amendment of said plans and specifications; and

WHEREAS, the estimated total increase in the cost of the work by reason of said proposed changes is $2,452.04; and

WHEREAS, said proposed changes are more fully set forth in Document No. 336345, filed by the Superintendent of Streets on August 29, 1963, and it shall govern for all details thereof; NOW THEREFORE,

On motion of Supervisor Dent, seconded by Supervisor Gibson,

IT IS RESOLVED that it is hereby proposed to amend said plans and specifications to show the changes hereinabove described, all as more fully set forth in Document No. 336345, filed by the Superintendent of Streets on August 29, 1963, and said document shall govern for all details thereof;

IT IS FURTHER RESOLVED that the said Resolution of Intention, Resolution Ordering Work and Fixing Prevailing Wages, said contract and all other necessary documents shall be amended so as to reflect said amendment of said plans and specification;

IT IS FURTHER RESOLVED that said proposed changes will result in an estimated total increase in the cost of the work in the amount of $2,452.04

NOTICE IS HEREBY GIVEN that on Tuesday, the 1st day of October, 1963, at 11:00 o'clock a.m., in the Board of Supervisors Chamber in the City and County Administration Building, 1600 Pacific Highway, in the city of San Diego, State of California, any and all persons having any objections to the aforesaid proposal to amend said Resolution of Intention and other documents as hereinabove set forth may appear before said Board of Supervisors and show cause why said proposed amendment should not be adopted.

Written objections to the proposed changes may be filed with the Clerk of the Board of Supervisors by any interested person at any time not later than the time for the hearing as set forth in this notice.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors be and she is hereby directed to cause this resolution to be published once in the Lemon Grove Review, hereby designated for that purpose by the Board of Supervisors, not less than ten (10) days prior to the time hereinabove designated for said hearing.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 3rd day of September, 1963, by the following vote:

AYES: Supervisors Gibson, Bird, Dent and Cozens
NOES: Supervisors None
ABSENT: Supervisor Austin

STATE OF CALIFORNIA,)) ss.
County of San Diego,)

I, HELEN KLECKNER, Clerk of the Board of Supervisors of the County of San Diego, State of California, hereby certify that I have compared the foregoing copy with the original resolution passed and adopted by said Board, at a regular meeting thereof, at the time and by the vote therein stated, which original resolution is now on file in my office; that the same contains a full, true and correct transcript therefrom and of the whole thereof.

Witness my hand and the Seal of said Board of Supervisors, this 3rd day of September, 1963.

W. Judd To Speak At Grossmont JC

"Neither Red Nor Dead" will be the provocative topic of a talk by Dr. Walter Judd, prominent Republican, at the first event of the cultural events program of Grossmont College for the 1963-64 year.

Dr. Judd will speak September 25 at 8 p.m. in the Grossmont high school auditorium. Admission for non-students is $1.50.

Dr. Judd, who has served 10 terms as a member of Congress from Minnesota, is a national authority on United States foreign policy. As a member of the Committee on Foreign Affairs for 16 years, he played an important role in establishing the U.S. relief, recovery, rearmament and economic development programs abroad.

As the keynoter at the Republican national convention in 1960, Dr. Judd's physiognomy and oratorical style became known to millions. He is being mentioned as a possible dark horse candidate for the Republican nominee for president in 1964.

The New York Times said of Dr. Judd "Among his greatest assets is a reputation for absolute integrity."

San Diego newspaper editors have been invited to participate in a panel discussion with Dr. Judd following his speech.

Kempton School To Be Dedicated Thursday Night

Kempton Street elementary school will hold its formal dedication and open house on September 19 at 7:30 p.m. in the multi-purpose room.

After a brief unit meeting, the pledge of allegiance will be led by PTA President Mrs. Ronald Duncan; the invocation by the Rev. J. T. Wood, of the Bible Baptist Church of Spring Valley.

James Halcomb, principal, will introduce the staff and guests. Glenn E. Murdock, superintendent of La Mesa-Spring Valley School District will confirm the certification of the building.

Dr. Cyril Padfield, president of the school board, will accept the school on behalf of the board and Mrs. Duncan will accept on behalf of the community. A member of the safety patrol will accept for the school.

Kempton Street elementary school was opened April 15 with an enrollment of approximately 500 students and a staff of 21. The PTA was organized May 1, 1963.

Those elected to serve on the PTA board this year were Mrs. Grant McClellan, president; Mrs. Allen Gardner, first vice president; Mrs. Wayne Osborn, second vice president; Mrs. Walter Lemaster, third vice president; and Mrs. Donald Brown, secretary.

Also, Mrs. Fay Casey, historian; William Hiebreder, auditor; and Donald Harris, treasurer. Mrs. Ronald Duncan was elected president of the PTA August 27 when Mrs. McClellan resigned due to the transfer of her husband to Sacramento.

WELCOME TO THE USA — Mike Howard, foster brother to Melvyn Lewis, English exchange student at Mount Miguel, made sure that his new brother would recognize his family. He made the sign which he's holding. Mrs. Mary Howard, Melvyn and Mr. Howard seem to be enjoying Melvyn's reaction to the whole thing.

English Exchange Student Arrives In SD with Weary Eyes, Summer Flu

An English exchange student caught his first glimpse of San Diego through weary eyes.

Melvyn Lewis, one of Mount Miguel high school's current AFS students, landed at Lindberg Field after four flight changes from New York. To add insult to injury, he spent his first week here nursing a bad case of summer flu.

A Londoner, Melvyn is looking forward to his year-long experience at Mount Miguel, a co-educational school. "I think I will like it," he said calmly, few had cars." He continued philosophically, "You have to be 17 to drive over there!"

He has already noticed the lack of uniforms among the student body here. "We were required to wear uniforms in London — black shoes, gray socks and slacks, the school blazer, and tie and emblem. But I notice your buildings are one story, the same as ours."

Melvyn comes from a family of two brothers and one sister. "My oldest brother, Laurie, majored in economics at the university and is presently employed by the Australian government as a market researcher. According to current reports, he isn't married yet."

His other brother, Rodney, recently completed work at the university as a mechanical engineer. Married and the father of one child, 21-year-old Rodney has not yet chosen a career. Evelyn is Melvyn's 27-year-old married sister.

Referring to his several bicycle tours to the European continent, he said that "French youth hostels are horrible; they're dirty and 100 miles apart. Those in Germany are the best because they're so clean and serve meals. Also there are two or three to a town."

One thing about his native country amused him. Living just three miles from the center of London — near shops and houses — he finds that merchants sometimes reserve certain items for sale to American tourists only. "Do you know," he added "Americans are the only ones who go into antique shops?"

The son of a hair stylist, Melvyn would like to clear another misconception — that of London's famous fog. "London isn't as foggy as everyone thinks," he insists. "Once in a while it will get pretty bad and then people walk into manholes in the street."

Although he prefers California's hot weather to that of England, he's impressed by the cloverleafs and intricate turnoffs of California freeways. "I think they're fantastic."

Melvyn is making his home with his foster parents, Mr. and Mrs. Tom Howard and son, Mike, at 8760 Harness st., Spring Valley.

Square Dancers Dine Hawaiian

Huff 'n' Puffers square dance club will dine Hawaiian-style at their annual luau Friday evening. The event will be from 8-10:30 in the Spring Valley Chamber of Commerce building.

The Huff 'n' Puffer's square dance class is still open to anyone interested. The class meets from 8-10 Monday evenings in the S. Spring Valley Shopping Center community hall. Jim Clark will be instructing. For information phone 463-5649.

New Businesses Open In Casa de Oro Plaza

Four new business establishments opened recently in the Casa de Oro Plaza which is located in the nine thousand block of Campo rd.

The new businesses include Anna Lisa's Bakery, Casa Interiors, Plaza Pet Shop and the Plaza Barbershop.

The bakery is owned and operated by Mr. and Mrs. Carl Fagersten, originally from Sweden and bakers in the U.S. for the past 14 years. The bakery is named after Mrs. Fagersten. It is a family shop, with two daughters working on the counter after school.

Interior Decorator

Under the proprietorship of Lenore, Hildebrand, a 15 year resident of Casa de Oro, Casa Interiors deals in everything from custom upholstery to carpets and draperies.

A graduate of the Art Institute in Chicago, Ill., Lenore has been a professional interior decorator for the last 25 years, and has worked as a decorator for a large number of San Diego department stores. She has had long experience with carpets, draperies and color coordination.

Pet Shop Opens

Mrs. Helen Donlan and her daughter, Lenore Van Sicklen, have opened a pet shop in the plaza. They operated Spring Valley Pet Shop at 9141 Campo rd. for two and a half years before moving to the plaza.

The shop carries a complete supply of birds, reptiles, rodents, fish and pet supplies including bulk grains, fresh horse meat and frozen beef.

Lenore, a licensed dog show judge, is a collie breeder and is official groomer of the shop.

Barbershop Duet

Plaza Barbershop opened last week under the management and proprietorship of Ugene L. Orman. He is assisted by barber Bill Bush. The shop is open six days a week.

Directly across Campo rd. from the Casa de Oro Plaza is a Standard service station which opened September 10 under the dealership of John N. Nicholl.

The two-bay, one rack station features a modern glass building, and carries a complete line of tires, tubes and batteries.

Nicholl, who has been a Standard dealer for over six years, said the station lubricates foreign cars and that a mechanic tune-up man will be hired in about a month.

Senior Citizens To Meet Monday

The Lemon Grove Senior Citizens Club will hold their next meeting September 23 at the First Congregational Church, 2700 Glebe rd., Lemon Grove, at 11 a.m.

The meeting will be a potluck dinner. Members will bring their favorite dishes; coffee and rolls will be furnished by the club. Be sure to supply your own plates ,knives, forks and cups.

Barnstormers To Kick-off UCS Fund

A barnstroming flight into Gillespie Field on Monday, September 23 at approximately 11:15 a.m., will officially kick-off the 1963 United Community Services Fund campaign in the Heartland area.

Four top campaign leaders will be aboard the plane to greet Lemon Grove, La Mesa, El Cajon, and Spring Valley UCS Fund campaign chairmen, including: Jack Koop, John Davis, Jim Polak, Clarke Hatch and other prominent civic leaders.

The plane, which is being provided free of charge by Gibbs Flying Service, will be specially decorated to promote this year's slogan, "Let's go 4 for '64."

Other stops on the tour will be at Montgomery Field, National City, Ramona, San Marcos, Oceanside, and Palomar.

S.V. Woman's Club To Have Fashion Show

Mrs. Charles Prasser, ways and means chairman of the Spring Valley Woman's Club, last week announced plans of a trip by the club to Greenwood and Cypress View Mausoleums in the near future.

Plans for an October fashion show also were discussed by club members at the Wednesday meeting. Mrs. Roland Hariss, publicity chairman, is having a poster contest for the fashion show. A prize will be given to the winner and completed entry date for posters has been set for September 24, she said. Members who wish to enter may contact Mrs. Hariss at 466-0463.

The next regular meeting of the club will be September 25 with Mrs. Frank Guthrie, chairman of Epsilon Sigma Omicron, Southern District, California Federation of Woman's Clubs.

Mrs. Robert Graham, president of the S.V. Woman's Club, was awarded a Certificate of Honor September 6 at a meeting of the Citizen's Advisory Committee to the La Mesa-Spring Valley School District. The certificate was awarded to her for he service to children in the educational efforts of local schools.

Trailer Travellers Set Del Mar Rally

Final arrangements have been made for the Travel Trailer Rally at Del Mar September 26-28, and the planning committee believes it has an outstanding package of events and entertainment for visitors this year.

Tickets in the information package will entitle trailer travellers chances for valuable prizes donated by merchants in the area and in different clubs in the border district.

Highlights of Saturday's program will be a potluck dinner and show by the Wheelcade group.

Al Grosse, finance chairman, reports that reservations are up to expectations, but a guarantee of parking with clubs requires reservations, However, Travel Trailer Clubs of America members will find ample parking if reservations are not made, he said.

Adult Classes Still Open

Two new courses are being conducted this fall in the Mt. Miguel evening school for adults, according to Donald Karlson, adult school counselor.

Roger Buller is teaching a course Monday evenings in geography as the story of land and its effect on people. On Tuesday evenings Orlo Deeds instructs the World politics class which attempts to study our political system in relation to other world powers.

Office machines are available Monday and Wednesday evenings for women who are looking for vocational training. Some class members are preparing for their first office jobs, Karlson said. Joe Rodriguez is office machines instructor and Maurice Fitzgerald teaches a Stenoscript course, which teaches students to take dictation by an "ABC" method in nine weeks.

Classes started last week, but anyone interested is welcome to enroll as long as room is available, Karlson said. For further information call the Mt. Miguel adult office at 469-6169.
